

**SPECTA AT POSTEA ADSPECTA!**

**Ne fidas speciei rerum primae!**

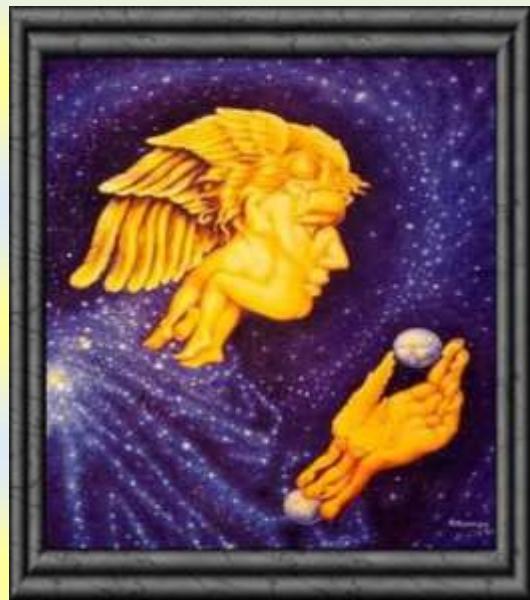

**Ad omne ambiguum fac acutum visum!**

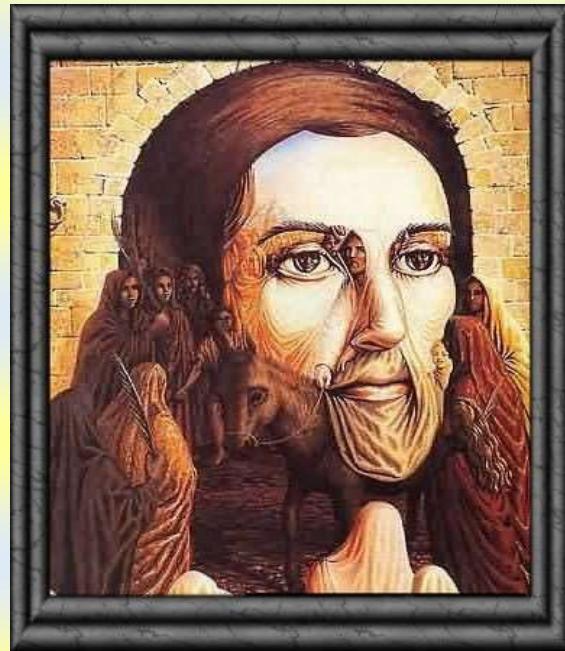

**Caput cadaveris!**  
**<<Stulte, sum Pater Natalis!>>**

**O iuvenem splendentem!**  
**Manibus fatae, angelica mente!**

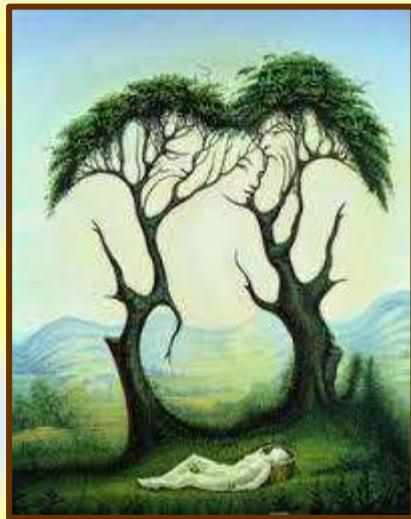

**Turba, palmae, Jerusalem...  
Omnia sub oculis,  
vivunt in me...**

**Puellae cum petaso et umbella  
in avi cerebello!**

**Folia an avis?  
Folia autem nonne sunt  
arboris alae?**

**Quid avi susurrant auribus?  
Arbores iterum florent:  
est miraculum naturale!**
